**Litter Registration Application**

Registration Fee: \$10 for the entire litter

To register a litter of kittens, the sire and dam must be registered with a registry. If the sire and dam are purebred cats and are not registered, they may be individually registered with the North American Purebred Registry, Inc. Payments accepted include: personal check, money order, or Credit/Debit Cards. Canadian applications must be paid via Credit/Debit Card. Please mail completed and signed form along with payment to the address above.

By signing and submitting this application, you are attesting that the litter represented here is offspring of registered purebred cats. The North American Purebred Registry, Inc. will review each application. Approved applications will receive a registration certificate and denied applications will receive a refund of the registration fee. The NAPR reserves the right to accept or reject any application for any cause.

Please complete if paying by Credit/Debit Card
